Procedures

According to FCMAT, here are the procedures for spending money your clubs have:

1. All invoices must be originals. (Faxes are not acceptable)
2. If you order online and get online invoices, that first original printout will be the only one acceptable.
3. All invoices must be initialed and dated by an advisor after items are received. If anything was not received it must be noted.
4. Explanations and expenditures must be with the invoices and receipts.
5. It is not okay to purchase items for the teachers or advisors as appreciation gifts. Any and all moneys must benefit the students.
6. All club moneys must be spent on extracurricular activities. You may not use your club's moneys on curricular-based items.
7. All club financial transactions will incur a 5% fee. This fee is for the Blue Bear Accounting Program, banking fees, and banking supplies. Club fees will be capped at \$150.00 for the 2018-2019 school year.

Note: Cash reimbursements will not be allowed. Please plan ahead before purchasing items.

Raising Money - Activity Requests

All sport or club activities must be approved by ASB using an Activity Request Form.

The Myth: ASB gets to decide if your fundraising idea / activity is any good. If they like it, then it gets approved. If not, then you lose.

The Reality: There are three primary requirements that ASB uses to approve fundraisers and/or activities:

1. There is one central calendar which tracks all campus fundraising and activities. This is located on the ASB Web Page <http://www.rmhsasb.org>. This ensures that fundraisers do not overlap or occur at the same time. ASB will determine the validity of a fundraiser and will regulate the calendar.
2. Prior to any non-fundraiser activity, an Activity Request Form must be completed and approved by ASB.
3. Prior to any fundraising activity, an Activity Request Form must be completed and approved by ASB.
4. Club and sport fundraisers are a favorite target of auditors; therefore there is a necessary paper trail to protect all parties involved. The Activity Request Form is a crucial piece of the paper trail. All Activity Request Forms must be completed 2 weeks prior to the activity with an estimate of anticipated profits.

Tips

- Fundraisers are approved on a first come first serve basis. Be sure to be accurate on the date and time.
- If a fundraiser request is denied it is usually due to a conflict with another group's fundraiser approved earlier.
- The second reason Activity Requests are not processed is due to lack of proper signatures. Be sure that the coach/advisor and captain/president signatures are filled out.
 - Please print your name and the names of your Club President and Club Treasurer.
- All Activity Requests must be submitted to ASB by Tuesday before 3:00 pm.
- All Activity Requests must be completed on the digital form.

Depositing Money

All money that you collect must be deposited into your ASB account. This is to create a paper trail to verify all financial activity if any questions are ever brought up regarding your handling of funds.

All deposits need to be delivered to Mrs. Thomas in room 626 (Spirit Store) before 3:00 pm.

Note: Mrs. Thomas is only available Monday and Wednesday from 8:00am-3:00pm. Please email her (lthomas@psusd.us) to set-up a time to drop off your deposit.

Tips

- Be sure to fill deposit form out completely including Club Name and Account Number.
- Be sure not to mix money from different events in the same deposit. (i.e. money collected for a trip cannot be in the same deposit as money collected from a candy sale)
- Avoid receiving funds as checks. If checks are collected, in the memo section of the check write the club and account number. Keep a list of each check using the Check Form. This is essential. When a check is returned due to NSF, it will be deducted from the specific club account. The Check Form will indicate which child needs to be placed on the Exclusion List.
- When depositing checks, keep a running total and bind the adding machine tape with the checks.
- All bills must be facing the same way.
- 1's are bundled into \$25.00 or \$100.00 increments.
5's are bundled into \$100.00 increments.
10's are bundled into \$100.00 increments.
20's are bundled into \$100.00 or \$500.00 increments.
- Keep coins separated in plastic bags.

Getting Money Out - Payment Requests

You've received your product, completed the fundraiser, deposited your funds, and it's time to pay the vendor.

1. Complete a Payment Request Form with required signatures.
2. Attach the original invoice, but make a copy for your records. (no faxed copies)
3. All Payment Requests must be submitted to ASB on Tuesday before 3:00 pm.
4. All Payment Requests must be completed on the digital form.
5. Once the Payment Request has been approved, ASB will obtain the appropriate signatures, and forward the forms to the Financial Clerk. Please allow up to 2 weeks for payment.

Tips

- Most Payment Requests that are denied are due to lack of funds in the account.
- Payment Requests will be denied if an Activity Request was not approved by ASB.
- Another reason Payment Requests don't get processed is due to lack of proper signatures. Be sure that the coach/advisor and captain/president signatures are filled out.
 - Please print your name and the names of your Club President and Club Treasurer.
- All paperwork gets approved on Wednesday's at the ASB Business Meeting. The deadline to turn in paperwork for this meeting is Tuesday by 3:00 pm.
